

Gold Leader Club

June 1, 2009

Dear Fellow Flier,

The Sky Rovers Flying Club is hosting two events this year. Our first event is our annual Warbird Rally held June 20-21, 2009 at our Ford Field location at 2269 McBurney Road, Phelps. It is open to all era of military aircraft, any scale and from any country. The only restriction is turbine powered aircraft are not permitted. There is no entry or parking fee. Campers and RV's are welcome, although we do not have any hookups.

Registration starts at 9:00 AM and we will fly until 4:30 PM. Following Saturdays flying we will supply a free picnic dinner to pilots and their helpers.

Our second event is our annual Airshow being held on July 25-26, 2009. This event is open to both scale and non scale aircraft of any size. Again, no turbine powered aircraft are permitted. As with the Warbird Rally, there is no entry or parking fees. Campers and RV's are welcome.

Registration starts at 9:00 AM and we will fly until 4:30 PM. Following Saturdays flying we will supply a free picnic dinner to pilots and their helpers.

Both events are sanctioned with the AMA and membership to the AMA or MAAC is required. We will also have a concession stand with food and cold drinks available for sale.

We look forward to seeing you all there for a great weekend of flying. If you have any questions, feel free to contact me via e-mail at dreid@fltg.net. Information and updates will be posted on our club web site at www.Skyrovers.org.

Best Regards,
